c. Security guards, char service, utilities and building maintenance.

Insertach as the Defense Intelligence School will be the prime occupant and user of the premises, the above support can be provided for FY 73 at no cost to CIA. However, all faculty and staff, as well as all costs for expendable supplies, textbooks, graphics, and administrative support associated with the Information Science courses will be CIA's responsibility.

Further coordination and finalization of the details may be worked out directly with the Commandant, Defense Intelligence School, as suggested in the last paragraph of your letter.

Sincerely,

BIGNED

JAMMIE M. PHILPOTT Lieutenant General, USAF Deputy Director
